# 1. Introduction

Hi!

My name is **Norma** and I am an **English teacher**.

- I founded **Norma's Teaching** in 2020 after I was laid off because of the pandemic.
- At the time, English lessons online were hardly available so I thought I could use my skills and experience to bring my unique approach to language learning through short and engaging videos on **social media**.
- From simple online mini-lessons, Norma's Teaching quickly evolved into an **influential brand**, with two books, various courses and a dedicated learning platform.

## My mission!

To make English accessible to every Italian no matter their age or background.

"**Fast, Fun and Fantastic**®" is more than just a teaching approach for me.

It's the foundation of my philosophy and the driving force behind every decision we make for our students.
